

Video teaser from the visiting performing artists

Simple instructions to the artist:

- Landscape format.
- Take care of noise.
- Avoid messy background.
- Max 1 minute.
- Speak to the young audience.
- Don't mention the school or time of year.
This way the video can be used by
others.

Examples on useful tools to use when editing the video teasers:

- Video editor: Camtasia
- Text editor: kapwing.com
- Video recording editor: Techsmith Snagit
